AZ CORP COMMISSION
DOCKET CONTROL

IN THE MATTER OF THE COMPLAINT BY APS
ENERGY SERVICES COMPANY, INC.,
AGAINST TUCSON ELECTRIC COMPANY.

DOCKET NO. E-01933A-02-0375

PROCEDURAL ORDER**BY THE COMMISSION:**

On May 22, 2002, APS Energy Services Company, Inc. ("APSES") file a complaint against Tucson Electric Power Company ("TEP") alleging that TEP had refused to provide service under certain of its Qualifying Facilities tariffs to the City of Tucson for a cogeneration facility that the City had contracted with a subsidiary of APSES.

In a Procedural Conference held on June 19, 2002, counsel for the parties indicated that they had reached, or were close to reaching, an agreement in principle that would resolve the issue(s) raised in the APSES complaint (Transcript of July 19, 2002 Procedural Conference ("Tr.") at 10). The parties discussed filing an agreement for Commission approval or filing a request for a hearing (Tr. at 11). It was determined to keep the docket open pending a future filing from the parties which would indicate whether the matter should be dismissed or set for hearing.

The docket does not reflect that either a services agreement or request for hearing was filed. Given the length of time that has passed since the complaint was filed, it appears that there is no longer a need to keep this docket open.
